COURSE APPROVAL FORM

Commencing with the Summer Session 1967, each student will be required to obtain a Course Approval Form before registering. This Course Approval Form is issued after the student has requested specific courses and the Extension Office has had an opportunity to ascertain that the requested subjects will satisfy degree requirements.

A student without the necessary Course Approval Form may not appear for the first time at the registration session and expect to complete registration without it. If you do not have your Course Approval Form, do not enter the registration line. Go first to the section marked "Course Approvals". There your course selections will be approved. Then proceed with your registration.

GENERAL INFORMATION

The Extension Division of the University of Windsor is an integral part of the educational program of the university. It is organized to serve those members of the Windsor community and its environs who are unable to attend as full-time students. Extension students can begin a college education, continue previous programs, improve their knowledge and skills, as well as study for self improvement or avocational interests.

The courses offered are of the same caliber as the day program, and are interchangeable at any time according to the needs of the students. Degrees and Certificates are granted by the University, regardless of whether the classes were attended in the Extension Division or as full-time or part-time day students.

RESIDENCE AND LENGTH OF COURSE

The number of years of attendance required for the attainment of any degree is as indicated in each program. This time may be reduced at the discretion of the Committee on Admissions through the transfer of credit from another university. In each case attendance at intramural classes for at least one full academic year or the equivalent (three Summer Sessions or three Winter Sessions part-time, or a combination of these) shall be required.

In the case of programs leading to undergraduate degrees, a candidate may be excused attendance for not more than one full academic year (5 courses) through the transfer of credit obtained by correspondence courses.

Transfer of Credits

Of the 16 courses (beyond Grade 13) necessary for the general B.A. degree, the University may accept a maximum of 11 courses by transfer from another approved university or college, provided such courses are comparable in content and weight to courses given here. No more than 5, however, of these 11 courses may have been completed by correspondence.

At least two of the subjects constituting the student's major must be taken at the University of Windsor, regardless of the number of such subjects the student may have completed elsewhere.

CLASSIFICATION OF STUDENTS

An Adult Student is one who lacks the regular admission requirements, and who is twenty-one years of age by December 31 of the year of application, and who has been out of full-time formal Secondary School

studies for **three** years or out of Grade 13 for **two** years. A student in this category may be admitted to First Year on probation; prerequisites for a specific program are to be made up by additional courses or private study. The applicant's birth certificate must be submitted with his application.

An Audit Student is one who is admitted to a credit course simply as a "listener", and not for credit. He is not obliged to do the assignments and is **not** permitted to write the examination. In the event that an **Audit** Student writes the examination contrary to this regulation, the mark submitted by the examiner will not be entered on any university record.

Students registered in this category must sign the following declaration:

> I, the undersigned, understand that the courses which I am taking as an audit student cannot count towards degrees or diplomas issued here or elsewhere, now or in the future.

A Conditioned Student is one who, in any year, does not have standing in a required subject or subjects of a preceding year. He may not take more than 6 other courses as long as these conditions remain. (See page 21, "Limitation of Course Selection".)

A Full-Time Student is one who is registered in four or more full undergraduate courses.

An O.C.E. Up-Grading Student is one who is a college graduate, taking courses for certification by the Department of Education.

NOTE: Any teacher wishing to use the courses listed in this calendar for credit toward the academic requirements for Endorsement or Type A must write to the Director, Advanced Academic Requirements, Ontario College of Education, 371 Bloor Street West, Toronto 5, Ontario, for an official ruling on his standing, in order to ensure that the courses in which he wishes to enrol will meet the requirements of his own academic programs.

This permission must be obtained **EACH** time the student wishes to take a course for upgrading purposes.

New students should not wait for approval from O.C.E. before requesting application forms.

Some courses are listed in the calendar only at the general level. For purposes of upgrading teaching certificates, these courses may be taken at the honors level, but only with the **written** permission of the Head of the Department.

A Probationary Student is one who is placed in that category either by the Committee on Admissions or the Academic Standing Committee of his Faculty.

A Provisional Student is one who is allowed to attend class while his application is incomplete or under consideration by the Committee on Admissions.

If the file is not complete by the last day of registration, or if the student is not eligible for admission as a credit student, he will be allowed to continue on a non-credit basis only, as an **Audit Student.** (See "Audit", page 8).

A Regular Student is one who has satisfied all the admission requirements and is pursuing the course program as outlined in the calendar.

A Repeating Student is one who is so classified as a result of his performance in his last year of attendance. A student in this category must obtain passing grades in all his subjects or an overall average of 60%.

A Special Student is one who is taking courses for credit but not proceeding to a degree at this University.

A Transfer Student is one who wishes to transfer his credits (at any level) to the University of Windsor from another college or university.

A Transient Student is one who is taking a course for credit at the University of Windsor with the **written** permission of the Registrar of his home university.

COURSE LOAD

Under normal conditions, a student in the Faculty of Arts and Science may take no more than the equivalent of two full general courses in any one session, Night or Summer. Any exception must have the **written** approval from the Head of the Department in which the student is majoring.

Students enrolled in the Faculty of Business Administration may take two full honors courses or the equivalent in half courses.

WITHDRAWAL AND REFUND

READ THIS! IT MAY SAVE YOU MONEY! IT MAY PREVENT YOUR GETTING AN UNDESIRED "F" ON YOUR TRANSCRIPT!

Non-attendance or notification of the instructor does not constitute withdrawal from classes. An Extension student desiring to discontinue any or all classes for which he has enrolled **must notify the Extension Office.** This must be done in person. If this is not possible for any reason, the withdrawal can be made by sending a Registered Letter to the Extension Office, indicating the reason for withdrawal. You must also include the receipt form received when fees were paid. If you withdraw totally from the university, you must also include your I.D. Card. When the withdrawal is made by letter, the effective date of withdrawal will be the postmark date.

Should a refund be in order, the Cashier's Office will remit a Cheque in due course.

FAILURE TO WITHDRAW IN THE REQUIRED MANNER AS INDICATED ABOVE WILL RESULT IN AN AUTOMATIC FAILING GRADE AND IN FORFEIT OF ANY REFUND TO WHICH THE STUDENT MIGHT OTHERWISE BE ENTITLED.

Refunds will be based on the following schedule:

During the first week of classes (July 3-5)	80%
During the second week of classes (July 8-12)	60%
During the third week of classes (July 15-19)	40%

ACADEMIC INFORMATION

Counselling

NO DETAILED COUNSELLING IS POSSIBLE DURING REGISTRATION. IF YOU NEED ADVICE OR WISH COUNSELLING, MAKE AN APPOINTMENT WELL IN ADVANCE OF REGISTRATION.

IN FACT, COUNSELLING SHOULD BE PART OF THE COURSE SELECTION AND APPROVAL SESSION SPOKEN OF IN THE INTRODUCTORY PAGES OF THIS CALENDAR.

Registration

This should not be the student's first appearance at the University. It can only be made AFTER the student has applied and been admitted and programmed. Registration can be made in one of two ways:

(a) By Mail

To register by mail, students must complete and return the form on page 39 of this calendar. Registration materials will then be sent, along with a Course Approval Form.

Registration by mail may not be completed after **June 15** for Summer School.

This means that your registration materials and cheque must reach the Extension Office no later than **Saturday, June 15. If they arrive after this date, they will be returned to you** and registration will have to be made in person.

Requests for registration-by-mail materials will not be processed after **Friday, June 7.**

When registering by mail, make cheques payable to the University of Windsor. Unless the cheque in the correct amount accompanies the completed registration forms, the registration is incomplete and WILL NOT BE PROCESSED.

(b) In Person

All students who do not register by mail must present themselves for registration at one of the times listed below.

At the time of registration, **ALL** students must present evidence of their eligibility to register. This must be their **Course Approval Form and the Permit-to-Register OR**, in the case of current students, their **Course Approval Form and the report issued at the last examination session.**

Registration for local students will take place on Saturday, June 22 from 9:00 a.m. to 12:00 noon in the University Center.

Registration for out-of-town students will take place on Tuesday, July 2 from 10:00 a.m. to 12:00 noon and 2:00 p.m. to 4:00 p.m. in the University Center.

Students who register after July 2 will be charged a late registration fee of $5.00.

No student may register for or add courses after Friday, July 5.

STUDENT NUMBERS

Each student registering after July 1966 will be assigned a student number by the Treasurer's Office. This number will be retained by the student throughout his university career. A record of it should be kept at all times, and be used as required on the various forms which the student will be required to complete from time to time.

In the event that you lose your I.D. Card or other record of your number, contact the Treasurer's Office.

GRADING

The grading for individual subjects in General and Honors programs is as follows:

	General Program	Honors Program
75-100	Grade A	I Class
66-74	Grade B	II Class
60-65	Grade C	III Class
50-59	Grade D	IV Class
40-49	Grade Fx	F
0-39	Grade F	F

All grades below 50% are considered failures. If a student is permitted a supplemental examination, it is indicated by Fx.

REGULAR EXAMINATIONS AND TERM WORK

The regular examinations will be held in January, May, and at the close of the Summer Session. If a student writes more than one examination in a course, the last mark he obtains shall be the only one considered for academic credit.

The ratio of term-work marks to examination marks is determined by the teaching staff in each subject; neither term mark nor examination mark, however, will count for less than one-third nor more than two-thirds of the final grade. To pass a subject a student must obtain an average of 50% on term work and examination; his Senate Committee on Academic Standing, however, may at its descretion withhold credit if the mark in either term work or examination is below 50%.

Term work in a course will not be credited to a student beyond the year in which the course is taken.

SUPPLEMENTAL EXAMINATIONS

A supplemental examination is one allowed in a subject in which a student (who has not failed his year) has failed to obtain standing at the regular examination. This examination is held at a time designated by the Dean. A student granted permission to write a supplemental examination must avail himself of this privilege at the first opportunity and the time and place designated; if he does not do so, or attempts the examination but fails, he may not write further supplemental or special examinations in the course involved, but must repeat it in its entirety if he desires credit for it.

Applications for the August supplemental examinations must be in the Registrar's Office by **July 1**; forms for this purpose are available in the Registrar's Office. The fee for this is $10.00 if written at a regular examination period, and $20.00 if written at another time or place.

The final grade, after supplemental examinations, will include the term mark for the year. The final mark so obtained replaces the original final examination mark in calculating the student's grade.

Only four supplemental examinations will be allowed in the sixteen courses required for the general Bachelor of Arts degree. They will be distributed as follows: **two** in the first six courses, **two** in the remaining ten courses. If a student fails any course after the four supplementals have been written, the subject must be repeated, or another course substituted.

SPECIAL EXAMINATIONS

A special examination is an examination other than the regular or supplemental examination, permitted by the Dean for a grave reason and after special application. No special examination may be assigned except on the recommendation of the Head of the Department concerned, after consultation with the instructor involved.

A student who fails to appear for a paper at the time set on the examination timetable will not be allowed to write on the examination paper thus missed, but may be permitted to write a special examination

upon fulfillment of the conditions indicated in the above paragraph at a time determined by the Registrar after consultation with the Department and Instructor involved. The fee for a special examination is $10.00 if written at a regular examination period, and $20.00 if written at another time or place.

FAILURES

(a) Failure of a subject:

To pass a subject a student must obtain an average of 50% on term work and examination.

If the mark obtained in a subject is in the range 40 — 49%, a student may be allowed to write a supplemental examination (see page 14). **No supplemental examinations are allowed in Honours subjects.**

A student who has been allowed to write a supplemental examination, and fails to obtain 50% in it, will not be eligible for re-examination without a further year's attendance in the course in which he has failed.

An Extension student who fails a prescribed course (i.e., after writing the regular or supplemental examination) must repeat that course at his next session of attendance, if the course is offered.

A failed course may be repeated once only.

If a student fails two out of any consecutive six courses, or has less than a 50% average on the six courses, or has a low major average, his case will be considered by the Academic Standing Committee of his Faculty.

A student who does not officially withdraw from a course (see page 10) and does not write the final examination, will receive a failing grade in that subject and will not be entitled to further examination without repeating it.

(b) Failure of a year:

A student who has failed his year is not permitted to write any supplemental or special examinations on the work of that year, but will be allowed to retain credit in subjects in which he has obtained 66% or better (Faculty of Arts and Sicence) or 60% or better (Faculty of Business Administration).

A student who is required to repeat his year in the **Faculty of Arts and Science** must obtain a passing grade in each individual subject of his approved registration or an overall average of 60% at the following spring examinations. If he fails to meet this requirement he will be required to withdraw from the Faculty of Arts and Science.

A student who is required to repeat his year in the **Faculty of Business Administration** must obtain an overall average of 60% and an average of 60% in the Honors courses, or withdraw from the Faculty.

(c) Readmission of students who have been required to withdraw for academic reasons:

Students who have been required to withdraw must withdraw for one complete year from all regular and Extension courses. They may then reapply to the Senate Committee on Admissions for readmission. The Committee may refuse the petition for admission, admit to part-time day or Extension courses only, or admit to full time. Such students, if re-admitted, will be subject to the regulations applying to repeating students.

Students who have been required to withdraw a second time, will not be eligible for readmission under any conditions.

APPEALS

(a) Aegrotat Standing:

A student who wishes to receive consideration on account of serious illness or bereavement or other grave reason prior to or during the examination should communicate with the Extension Office **before the close of the examination period.** Documents in support of this appeal (e.g., a medical certificate) must be submitted to the Extension Office **within a week of the close of the examination period.** In such cases the Committee on Academic Standing may grant standing in the subject or subjects concerned on the basis of the term mark alone.

(b) Other Appeals:

While all papers in failed subjects are re-read before the grades are submitted, and every care is taken to record marks accurately, any student who considers that some factor affecting the final mark on the examination was not considered by the examiner, may appeal to have the subject reviewed. This request should be submitted in writing to the Registrar's Office within two weeks of the official publication of student grades, together with a fee of $10.00. In the event that the grade is changed as a result of the appeal, the fee will be refunded.

Appeals should be addressed to the Secretary of the appropriate Faculty, and sent to the Registrar's Office.

GRADUATION

If your present registration completes your degree requirements, contact the Registrar's Office for other information relative to graduation.

Registration in any program does not constitute an application for a degree or diploma.

An official application for graduation must be filled out and filed in the Registrar's Office 30 days prior to the Convocation at which the applicant hopes to graduate.

In cases in which credit is sought for work done elsewhere, official transcripts or other documentary evidence required by the Registrar's Office, not already submitted, must be conveyed to the Registrar's Office prior to the same date. Failure to comply with these regulations will disqualify the student for graduation at the Convocation concerned.

Each prospective graduate must be present in person at Convocation in order to receive his degree or diploma, unless excused for a serious reason by his Dean, and unless arrangements have been made with the Registrar to receive the degree in absentia.

TRANSCRIPTS

Students wishing to order transcripts should contact the Registrar's Office.

LIBRARY SCIENCE

Every student entering the University of Windsor in Preliminary or First Year is required to complete satisfactorily a course in Library Science except those who have completed similar work at Teacher's College and submit their Teaching Certificate.

LETTERS OF PERMISSION

Extension students, wishing to take courses at another university either by intramural instruction or by correspondence, must obtain **written permission from the Extension Division for each subject.**

FACULTY OF ARTS AND SCIENCE

The Faculty of Arts and Science offers the following programs through the Extension Division:

General Bachelor of Arts degree with majors as listed in Guidance Chart on page 22.

Bachelor of Science (Technical). (See page 24.)
Certificate in Theology. (See page 25).

BACHELOR OF ARTS

ADMISSION REQUIREMENTS

The following are the requirements for regular admission. Students lacking regular admission requirements may be admitted under special conditions (see page 7).

Admission To First Year

Admission to First Year of the University is obtained in one of the following ways:

(a) **From Ontario Grade 13:**

The general admission requirement is an average of 60% on a minimum of seven credits, including English and either another language or Mathematics A. Among the seven credits required, either Music or Art, but not both, will be acceptable as an option for admission to programs which allow for optional Grade 13 subjects. The following will not be acceptable: Secretarial Practice, Accountancy Practice, Mathematics of Investment, Problems.

Languages of Grades 11 and 12 will be required, and Mathematics of Grade 11 and 12 normally will be required.

First Year applicants who present two or more Grade 13 credits from a pervious year, will require a total of eight credits for admission.

Credit value of Grade 13 subjects: Mathematics AB = 3 credits; English, all languages, and Mathematics A = 2 credits; all other subjects = 1 credit.

(b) **From Preliminary Year:**

The satisfactory completion of the Preliminary Year prepares a student for admission to First Year of Arts, Science, Nursing, Engineering or Commerce, provided the proper subjects are chosen.

(c) **From Outside Ontario:**

An applicant who has completed High School work outside of Ontario should submit the Departmental or other official certificates (originals) to the Committee on Admissions for a decision regarding eligibility for entrance.

The General Certificate of Education of **Great Britain** (or an equivalent certificate from elsewhere in the Commonwealth) will admit to the First Year provided it indicates satisfactory completion of five subjects, with two at the Advanced Level appropriate to the course chosen, or four subjects with three at the Advanced Level appropriate to the course chosen.

Special Admission

Students lacking the regular admission requirements as outlined above may be admitted to the University under one of the following:

(a) **Adult Student:**

A student who lacks the regular admission requirements, and who is twenty-one years of age by December 31 of the year of application, and who has been out of full time formal Secondary School studies for **three** years or out of Grade 13 for **two** years, may be admitted to First Year on probation (see below); prerequisites for a specific program are to be made up by additional courses or private study. The applicant's birth certificate must be submitted with his application.

(b) **Teachers' College Graduate:**

Graduates of the one year program of the Ontario Teachers' College, who do not otherwise qualify for admission, may be admitted to First Year Arts on a six-course probation program.

Of the first three courses taken, two must be taken during the same session, a grade of 50% obtained in each, and an average of 60% on the two course combination. At the end of the two course session, if the required grades and average have not been attained, the student must withdraw from the university. If the required grades and average are attained, the student may continue in Extension on probation until the six required courses have been taken. To remove probation, the student must pass six courses wth an overall average of 60%.

(c) **On Probation:**

A student lacking the full admission requirements may be placed on probation by the Committee on Admissions. Probation is removed when the student passes his probationary period.

Students placed on six course probation must pass four of the first six courses taken and obtain an average of 50% on the six. Should the student fail his year, he will not be allowed to repeat, but will be required to withdraw from the Faculty. For regulations pertaining to the possible readmission of students who have been required to withdraw, see page 16.

An Extension student who fails to remove probation must withdraw from the university for one full year. He may then apply for readmission. If he fails a second time, he will be required to withdraw permanently from the university.

(d) **On Trial:**

A student may be accepted into a particular course program on trial; if such student shows unsatisfactory progress, he will not be permitted to repeat the same course program but will be required to transfer to another.

(e) **Audit Student:**

For regulations pertaining to this category see page 8.

STEPS FOR REGISTRATION BY MAIL

NOTE: Please read the following carefully. You are reminded that registration by mail cannot be completed after **June 15.**

1. Fill out the request form on page 39 and return it to the Extension Office. **This form must reach the Extension Office no later than Friday, June 7; otherwise, the student must register in person. Do not send your cheque with the request form. If you do, it will be returned to you.**

   NOTE: The completion of the request form does not constitute registration. It is simply a **request** for registration materials.

2. Upon receipt of the request form by the Extension Office, your record will be checked, and if your choice of subjects is approved, you will be sent a course approval form, the necessary registration materials, and a return envelope.

3. Fill out the supplied forms completely and return them to the Extension Office, along with your cheque in the correct amount made payable to the University of Windsor. **If you do not enclose your cheque, your registration is incomplete and will not be processed. The completed registration forms and cheque must reach the Extension Office no later than Saturday, June 15. Registration materials received after this date will be returned to sender and the student must register in person.**

4. Upon receipt of the forms and your cheque, your registration will be processed by the Extension Office and the Cashier's Office. You will then be sent your receipt and I.D. Card.

5. Your Admit-to-Lecture Card(s) will be sent directly to the instructor by the Extension Office.

NOTES:

1. For limited classes, completed registration, including payment of fees, assures place in class.
2. The Extension Office cannot accept post-dated cheques.
